Sorry for the delay Mr. Fisher. Just to let you know of my situation, I am having a problem meeting my financial needs. I attend Grambling State University in Grambling, La (40min east of Shreveport) getting a Masters of Science in Sport Administration. I do not have a vehicle to go to school so I walk 20 minutes to go to class and home. My parents are unable to help me. My dad has a disability (he has had two strokes) and my mother quit her job to take care of him. There income is my dad's social security check which doesn't equate to anything. I am currently trying to apply for food stamps but the waiting list is 3 weeks. I have an apartment payment along with electricity, gas, light, and water bills. With no vehicle, it is difficult to get a job. I am on work-study with my department however, it pays 250 and month for 40 hours (equal to about $6/hour). Mr. Fisher,I would be very grateful if you were to send me any amount. Mr. Lee has been a positive influence in my life and I thank him for giving me the opportunity to speak with you sir.

Talking with the Director of Grants/Development at Grambling State University, Dr. Island, says that if you are sending money to me that it would be best if you send it directly to me and not the university. If you were sending a check directly to the university, then that would be a time you can do that, but if the money is for me then to just mail the donation to me.
She also said that if you have any questions that are not answered by my email you can contact her at (318) 274-6339.

My address is:

Thank you for your consideration Mr. Fisher,

Jehrime Chadwick

Mr. Fisher,

Just to follow up on my previous email:

I am requesting for $5,000 for the following:

My monthly payment for my apartment is 375/month Utilities (gas, lights, water)is about 150/month Food is about 80/month Tuition is 3360/semester (I signed a promisary note to the university (pay 50% now and the other 50% before the semester is over)

$375*12=$4500
$150*12=$1800
$80*12=$960
3360 divided by 2= $1680

All of that added up is=$8940

Like I said previously that I do work study for $250.
$250*12=3000

$8940-$3000=$5900

Also, books for class is equal to about 250/semester.

Here is what I want to do. Tell me if this works.

I will send you $750 today for the first two months expenses. I will mail the University a check for $1680 on Monday for your account. I will get you the $375 at the first of each month starting Nov 1. I will send Grambling the tution balance in the first week of December. If this works and you get your grades, I will do the same next semester. You have to enrolled full time and you will need to show me you are passing for the each new semester.

Thanks,

Bill

Mr. Fisher,

That is very much of a blessing! What I am going to do is mail you a transcript of my previous semesters grades so you will know where I have been prior to this point. I am very grateful for this opportunity Mr. Fisher. Now I can focus on finishing school instead of worrying about paying for school. I will be in contact with you to let you know how I am doing.
I appreciate everything that you and Mr. Lee have done so far and I know that I will satisfy the both or you.

I have sent the tutition to Granbling by Fed X they should recieve it today or the in morning. Have recieved your monthly expense check? I sent it last week as indicated, it has not cleared my account yet.

I work extensively with the City and County on a variety of land use and development issues. Just for my protection can you confirm back to me by e-mail that you are not related by blood or marriage to any Dallas County or City official. If you are related, please advise me who and of the relationship to insure compliance with applicale law and regulations.

Thanks,

Bill

Never got a response from him. Got a call from Commissioner Lee, telling me he had discussed this with Don Hill and they had "done nothing wrong" and there was no conflict but asked me not to send any funds to Jehrime. He told me Jehrime would suffer for it but that he "probabley should not have asked me to do it".

I told the commissioner I was happy to help a minority graduate student in need and asked that he, Jehrime, simply send an e-mail as requested. Of course one never came.

I never got a response from Jehrime and my zoning and HTC cases in Don's district turned completely against me almost immediately.

If this guy is related to these people even a close friend, I am a victim of an unethical act and possibly a criminal act and want your advice on how to proceed under the circumstances. I am documenting this at this time for my own protection and the fact they have just made another improper approach on this "B-Day party sponsorship". Help

Thanks,

Bill
