VEHICLE REFERENCE
Year and Make: 1998/BMW
VIN: WBAGF8326WDL55228

Dear Sheila Farrington:

This is to advise you that the Texas Department of Transportation, Vehicle Titles and Registration Division, cannot issue a Texas Certificate of Title based on the evidence submitted. We are, therefore, returning all evidence submitted covering the above described vehicle.

Additional evidence will be required before a Texas Certificate of Title can be issued. (Refer to the attached Rejection Sheet.)

If you are unable to obtain the required evidence, you are privileged under Chapter 501 of the Transportation Code to select one of the following options available for securing a certificate of title.

(1) The provisions of Section 501.052 (a) provide the opportunity to request your County Tax Assessor-Collector to hold a hearing to determine whether or not a title should be issued based on the evidence at hand. If you select this option, this letter and all supporting documents should be presented to your County Tax Assessor-Collector's Office with your written request for the tax collector's hearing.

(2) The provisions of Section 501.053 (a) provide that you may file with the department a surety bond executed by you, as the applicant, and by a person authorized to conduct a surety business in Texas. If you select this option, you must obtain a surety bond in the amount of **$20,812.50**. (A sample bond form is enclosed for your convenience.)

After you obtain a surety bond in the established amount, you must file an application for title with your local County Tax Assessor-Collector's office within 30 days of the effective date of such bond. Your application for title must be supported by the enclosed evidence, this letter, and the original surety bond.

Regardless of which option is selected, the County Tax Assessor-Collector will not register your vehicle or accept an official application for title until a decision has been rendered in your favor through a County Tax Assessor-Collector's hearing or a surety bond has been obtained in your name in the amount specified in this letter. This must be done no later than one year from the date of this letter.

A copy of this letter is also being sent to the owner and lienholder of record, and any other interested parties, if applicable, in order to notify them of the pending action on the referenced vehicle. If an interest is still held by these parties, a court order from a county or county district court naming the Texas Department of Transportation, Vehicle Titles and Registration Division as a defendant would be required to stop the transfer of title.

For additional information, please contact the Dallas Regional Office, 1925 E. Beltline Rd. Ste 100, Carrollton, Texas 75006, at 972/417-0884.

Sincerely,

James F. Taylor, Interim Regional Manager
