1 D'ANGELO LEE (LEE): Yes sir.

2 RON SLOVACEK (SLOVACEK): Hey man.

3 LEE: Uh huh.

4 SLOVACEK: Hey uh, I was talking, just talking to

5 EMIL.

6 LEE: Mmm hmm.

7 SLOVACEK: Uh, just a little bit about the framing

8 out there and everything else. I mean that

9 framing, even like on Arbor Woods if we did the

10 frame job that, I would have to really, really,

11 really be competitive and work my ass off to try

12 to have a total of about eighty-thousand dollars

13 on that job.

14 LEE: Mmm hmm.

15 SLOVACEK: 'Cuz it's, it's only a hundred, I mean

16 the whole contracts only about four-hundred-and-

17 seventy-thousand dollars. That ain't a whole lot

18 of dollars. So what, what it got me thinking was,

19 do you think you could get the budgets, his budgets

20 for all these? Let us look in there to see what we

21 can do to hit his budgets. On other, on

22 everything, sheet rock, electrical, HVC, anything.

23 Let us, give us the opportunity to look at it first.

24 LEE: I can run that by him.

1 SLOVACEK: Run it by him say hey, I mean, well I
2 mean I'm not saying we won't back off. The only
3 way the framing would be worth it, is if we could
4 just make a phone call to one person and they
5 handled all the site management and everything.
6 But if, if I have to staff it up out there, it
7 would really, it, we'd lose money because it
8 wouldn't be worth the risk and the insurance and
9 everything else.
10 LEE: Okay.
11 SLOVACEK: But what, but I mean the, the, but the
12 electrical and sheet rock and HVC, and things like
13 that, let us take a look at what he's got 'cause I
14 think we can be competitive on some of those. And
15 those are the kind, like the electrical and the
16 sheet rock, those are the kind of subs that is phone
17 call. And that's it. You just get them out there
18 and they do it. It's not, it's not very
19 management-tentive on site 'cuz the people I bring
20 in are you know, they're, they're very qualified.
21 LEE: Mmm hmm.
22 SLOVACEK: But that, that might be, say hey, let
23 us, let, let us have your budgets. Give us your
24 numbers and let us try to help you, let us try to
25

1 hit the mark with you so we're not, we're not being
2 ten percent over your budget.
3 LEE: Okay.
4 SLOVACEK: Okay?
5 LEE: All right, I'll do that.
6 SLOVACEK: Okay man, what else is happening?
7 LEE: That's it. That's it.
8 SLOVACEK: Okay.
9 LEE: Now did you want, did you want to go to the BYRON
10 NELSON?
11 SLOVACEK: (Laughing) Man, I just don't get into
12 that BYRON NELSON.
13 LEE: Me neither. I did, I done had about twenty-
14 thousand tickets (UI) man, y'all can have those.
15 SLOVACEK: Nah, nah, I, I like, I went one time I
16 was like oh hell no, I'd rather be playing golf
17 than, than watching you know.
18 LEE and SLOVACEK conversing over one another.
19 LEE: I went one time...
20 SLOVACEK: I wouldn't mind. I wouldn't go mind
21 meeting TIGER and a few of those guys out there.
22 LEE: Yeah, you got to do that privately.
23 SLOVACEK: Yeah.
24 LEE: You know so, yeah, I'm, I'm, I'm not (UI)
25

1 even so. I, I'm not trying to do it.

2 SLOVACEK: Hey give me the, where you at uh on

3 Sunday?

4 LEE: Uh, at the...

5 SLOVACEK: Where you, where you preaching?

6 LEE: At the SALMON CENTER. Where, where's

7 my key, my friend? At the SALMON CENTER?

8 Right off of uh, yeah, it's at nine o'clock.

9 SLOVACEK: Nine AM. Off of what?

10 LEE: Um if you take the Tollway, it's right off

11 the Tollway and Stemmons.

12 SLOVACEK: All right. It's Tollway and Stemmons.

13 I'm trying to picture it.

14 LEE: Yeah, it's, it's like, it's like, it, it

15 sits right off of um, I, I'll give you...

16 SLOVACEK: Is it near, is it near the uh GALLERIA?

17 Beeping in background

18 LEE: No. It's down. It's, it's like near, it's

19 right off of Oak Lawn and Stemmons, but it's on,

20 it's on Stemmons.

21 Music in background

22 SLOVACEK: Who would have an address? I'm gonna,

23 I, I'll just, I'll get an address and I'll look it

24 up on Map Quest.

25

1 LEE: I, I'll, email you, I mean, I have it on my
2 email so remind me.
3 SLOVACEK: Email it to me.
4 LEE: Okay.
5 SLOVACEK: All right man.
6 LEE: All right.
7 SLOVACEK: Bye.
