(LAST UPDATED ON 04/18/15)

NOTE: **A surety corporation that wishes to provide federal bonds must comply with the requirements of 31 U.S.C. § 9304 on a quarterly basis. A list of corporations who are currently approved by the U.S. Department of the Treasury to provide federal bonds may be found here: www.fms.treas.gov/c570/c570.html.**

WARNING: **A surety corporation who has filed a power of attorney in this court may lose their status as an approved surety corporation with the U.S. Department of the Treasury. Therefore, this list is not an indicator of a corporation's status with the U.S. Department of the Treasury. YOU MUST ALWAYS CHECK THE TREASURY DEPARTMENT LIST FIRST!**

Furthermore, THIS LIST IS NOT COMPREHENSIVE OF THE CORPORATIONS OR REGISTERED AGENTS THAT MAY PROVIDE SURETY IN THIS COURT. In accordance with 31 U.S.C. § 9306, a corporation that is approved by the U.S. Department of Treasury that is acting inside the state under whose laws it was incorporated is NOT required to file a power of attorney designating an agent for service of process. Therefore, this list does not contain the name of any corporation incorporated in the state of Texas that is currently approved by the U.S. Department of the Treasury to provide surety in this district. Additionally, this list shows the name of the registered agent for the most recent power of attorney on file. Prior power of attorney documents may exist for a company that have not been revoked. Contact the clerk if you have questions.
