Message Body

This is a followup to your previous e-mail: Myron, it is your responsibility to draft the language to show that Brian and Cheryl Potashnik will be making an annual gift of $25,000 to the non-profits; Urban League and Bright III. This document needs to be sent to Randy so that it can be included in the master agreement. This gift amount is in addition to the $25,000 annual service agreement. In total, the non-profits will receive $50,000 commencing the first year for the next three consecutive years. Then in the fourth year the non-profits will participate in the revenue generated from the project. If there is any clarification needed, please call D'Angelo, 214-729-3484.
