<p>not that I'm one to extort money from people, but why don't you extort a little \$\$\$ (for HST) from Lloyd Griffin. He's closed a few 9% deals with you and will have a few bond deals closing soon.</p> <p>Just don't link this to me, he'd get pi\$ed at me for costing him money.</p> <p>I tlaked to Onion about Austin and he's agreed that while he can't read his board's mind that they would be opening themselves up for trouble if you met their rules and regs and they didn't approve the deal.</p> <p>Jerry L.
