

1 DONALD W. HILL: I'll do it, I'll do it, I'll
2 do it, I'll do it.
3 UNKNOWN MALE #1: How long will it? Okay. I
4 wanna see, uhm, what, I wanna see his files.
5 HILL: Oh, we do need to look at that.
6 UM-1: I want to make sure.
7 HILL: Okay.
8 UM-1: So, that's, that's really what I really want
9 to see.
10 HILL: Okay, I'm going to go to the car which. I
11 mean, they, they can get, I mean he can get him to,
12 but, that for PEERWANI to go ahead and give you them, to
13 look at that now, so...
14 UM-1: You and I need to probably visit with him
15 quickly.
16 HILL: Okay, okay. Well, then, I can, I can just get the,
17 it's right around the corner. I can get the car for you
18 later, can't I?
19 UNKNOWN FEMALE: Yeah, absolutely.
20 HILL: Okay. Okay. I'm sorry, go ahead. Hello?
21 SHEILA FARRINGTON: Uhm, yes.
22 HILL: Let, let, let a DOCTOR PEERWANI know that if
23 we can just get about five minutes, whenever, before
24 we start, just about five minutes, whenever he's got
25 time.

1 UNKNOWN MALE #2: UI

2 HILL: No, a five minute, uh let me talk to him,
3 before we go into this deposition.

4 UM-2: Okay, what's your name?

5 HILL: DONALD HILL and BRUCE SMITH. Whenever he's
6 ready.

7 HILL: I'm sorry, honey.

8 FARRINGTON: Uhm, the chances of me getting it in the
9 bank before, by two are not good.

10 HILL: Okay.

11 FARRINGTON: Is there something you needed, or
12 something?

13 HILL: No, I need some of it out of there, but no, I
14 don't need it at all. I mean, I don't need it. I
15 just need parts of it, that's all.

16 FARRINGTON: Okay. But I thought you were leaving in
17 the morning?

18 HILL: That's why I'm trying to get parts of it out
19 tonight, today.

20 FARRINGTON: I mean, in order for that to happen, I
21 mean it, it would go in, I'm, I'm sure they, they
22 probably would let me get it out, get it out.

23 HILL: That's what I was. I mean, they let you do
24 some less cash or something like that?

25 FARRINGTON: Yeah.

1 HILL: Okay.

2 FARRINGTON: Well, I'll just keep trying.

3 HILL: UI.

4 FARRINGTON: And I'll just do my best.

5 HILL: UI.

6 FARRINGTON: That's all I can do.

7 HILL: Yeah, that's all you can do. There's no need
8 to stress on it.

9 FARRINGTON: Unless you just want me to do a bypass
10 this, picking up whatever from ERIC.

11 HILL: Well, I, I...

12 FARRINGTON: I sure can bypass it.

13 HILL: I, I, I guess it ends up being which one has
14 the most immediate impact on you.

15 FARRINGTON: Yeah, well, I mean. I mean, it, it just
16 that uhm, I don't even know if they're in place.

17 HILL: Oh, you didn't talk to them when you called.

18 FARRINGTON: When I, no one's at the office.

19 HILL: Oh.

20 FARRINGTON: And then, ah, and I called ANDREA, and
21 she said, she needed to call me back, in five minutes.

22 HILL: Okay.

23 FARRINGTON: So, ah...

24 HILL: See where they are. I mean you can't. Is,
25 is, is the distance between I mean. We don't need to.

1 Don't make this complicated and don't get yourself
2 stressed out about it, cause it's not. You know, it's
3 not...

4 FARRINGTON: But I'm sure whatever you needed out of
5 it, you can just ah, you know, just take it out of ah,
6 ah, FARRINGTON AND ASSOCIATES. And, and it's in there
7 anyway. So, it's not like you're taking anything out
8 of it. So you...

9 HILL: Well, I didn't know...

10 FARRINGTON: You can. There's something, there's
11 something in there.

12 HILL: Okay, well if you got some. Cause I'm, I was
13 telling more like about \$1,000 or something like that.

14 FARRINGTON: Oh, dog. You gonna have a little
15 extravagant weekend, aren't you?

16 HILL: No, it's not an extravagant weekend. It cost
17 \$450 for your hotel room for three days.

18 FARRINGTON: Oh.

19 HILL: And then you go. If you take a kid to SEA
20 WORLD, they charge you \$40 to go into SEA WORLD,
21 that's two, that's \$80, that's \$100. That's one day.
22 If you go to FIESTA, they charge you \$30-\$40. That's
23 two hundred, two days. That's \$650 before you even get
24 started. And then you're talking about buying ah, ah
25 food on the train. Or, buying any food at all. Oh,

1 buying the kid a T-shirt, or anything else.

2 FARRINGTON: Well now, I'm sorry if I made you feel
3 like you had to explain.

4 HILL: UI.

5 FARRINGTON: It's not, it's not what I was trying to
6 do.

7 HILL: UI.

8 FARRINGTON: At any rate, ah, it's that's there. You
9 can, you can...

10 HILL: Okay.

11 FARRINGTON: Get that out.

12 HILL: Okay, no problem.

13 FARRINGTON: And it's, it's right there, you know.
14 It wouldn't create a problem or anything.

15 HILL: Okay. Okay. No problem.

16 FARRINGTON: So, whenever I get it, I'll just make a
17 deposit and I'll get that out.

18 HILL: Yeah, yeah, yeah. Okay, baby. So then you
19 can stop UI you stress on it cause it's not
20 something you got to stress about. Nothing you ought
21 to stress about.

22 FARRINGTON: Alright.

23 HILL: And you got, that little SHERRICA riding
24 with you huh?

25 FARRINGTON: Well, yeah.

1 HILL: I'll bet she's probably disappointed. I'm
2 riding with you instead of my, my Highland Park
3 friends.

4 FARRINGTON: No, she seems to be having a good time.

5 HILL: She does.

6 FARRINGTON: Uh huh. I made her an appointment to,
7 a doctor's appointment. I've been trying to get her at
8 the beauty shop real quick some time today.

9 HILL: Is the twe.., is the twenty five hundred he was
10 talking about that. Is that a new twenty five hundred
11 or is that a different twenty five hundred or the same
12 twenty five hundred?

13 FARRINGTON: Ah, no, that, that, the, the twenty five
14 that comes out of my normal and then that's an
15 additional.

16 HILL: Okay, then okay. So, then what that says then
17 is that we
18 can get you to a doctor. Okay, very good. Very good.
19 Very good.

20 FARRINGTON: Well, I guess so.

21 HILL: Yeah, we need to, baby. We need to.

22 FARRINGTON: I just thought we need to invest it,
23 too.

24 HILL: We do, but we got to invest in your health
25 first and that won't cost but \$400-\$500 so we'll,

1 we'll need to get that done.

2 So, lets start working on that.

3 FARRINGTON: Well, I'll have to change doctors

4 probably. Cause that one is upset with me because I

5 just missed that appointment that came in.

6 HILL: You didn't, you didn't call and say anything?

7 FARRINGTON: No.

8 HILL: I'm not fussing, I'm just asking.

9 FARRINGTON: No I didn't.

10 HILL: Well UI.

11 FARRINGTON: She's over there in METHODIST HOSPITAL

12 but...

13 HILL: Well you know, you know what I, I doubt if

14 they'll just treat you bad. You want to do it, you

15 may have wait a long time so I don't know whether you

16 want to go through that.

17 FARRINGTON: No, I think I'll just try to find

18 somebody that could take me now.

19 HILL: That's not a bad idea. I'm sure that...

20 FARRINGTON: She's not, she's not the only female

21 gynecologist around.

22 HILL: No, I would think so.

23 FARRINGTON: And that was only my preference with her

24 is that she's a female gynecologist.

25 HILL: Yeah, yeah, UI.

1 FARRINGTON: I kind of don't like the males.
2 HILL: If they, if they ain't got nothing else, they got a
3 female gynecologist.
4 FARRINGTON: Let me call you right back. This is
5 ANDREA.
6 HILL: Alright.
7 FARRINGTON: Okay.
8 HILL: Bye.
