

1 SLOVACEK: D'ANGELO.  
2 LEE: Yes, sir.  
3 SLOVACEK: Hey.  
4 LEE: Can you hear me?  
5 SLOVACEK: Did you get my message?  
6 SLOVACEK: Yeah, I can hear you.  
7 LEE: What's up?  
8 SLOVACEK: Uh, I just had a talk with PECAN  
9 GROVE. I never got the civil set to do the parking lot.  
10 LEE: I know. I, I talked to DARREN and I told him  
11 that we needed to get the other pieces. So, he said  
12 they were working on that.  
13 SLOVACEK: Okay.  
14 LEE: They, they did... They did sent the, send  
15 the final offer over to VESTAL.  
16 SLOVACEK: Yeah.  
17 LEE: And, um, and so, I need to... I need to,  
18 uh, have VESTAL request that other piece.  
19 SLOVACEK: Okay.  
20 LEE: But he said he was going to take care of  
21 that, so I told him we had not bidden on all of the  
22 job yet.  
23 SLOVACEK: Okay. Well, UI I didn't want it  
24 to slip through the cracks and I said fine.  
25 LEE: Well, I'm... I'm going to call DARREN now.

1 SLOVACEK: Also, I had, you know, I had put that  
2 initial call into the civil engineer, and I had never  
3 gotten anything and I did not want to call them  
4 again. I don't want to wake up any sleeping giants  
5 giants here until I've spoken to you.

6 LEE: So what... what did you say again? I'm sorry.

7 SLOVACEK: You know, I'd, I had left a message and  
8 I spoke to the civil engineer on that project, but  
9 I never got anything from him.

10 LEE: Okay, okay.

11 SLOVACEK: And... but I was not going to call him  
12 again until, ah, we'd, we had talked.

13 LEE: Okay, I'll, I, I'll run some interference on  
14 it now. I'll, I'll call DARREN and see what's up  
15 and call you back.

16 SLOVACEK: You know I mean if, if VESTAL  
17 doesn't UI. ooh, did you hear that?

18 LEE: Yeah, I can hear you.

19 SLOVACEK: Can you hear me? If, if VESTAL  
20 he doesn't... I can call on behalf of VESTAL if  
21 he UI. Tell him to UI, say I'm with VESTAL, if  
22 he doesn't want to have to go through the, you  
23 know, process of trying to get all that stuff.

24 LEE: Well w... why, why don't you do that?

25 SLOVACEK: Okay. UI I'll call him.

1 LEE: Go ahead, go ahead and do that.  
2 SLOVACEK: Okay.  
3 LEE: All right.  
4 SLOVACEK: Okay.  
5 LEE: Talk to you later.
