15 awarded already. But not to us.
16 LEE: Well, they, you need to go, they have to go
17 unaward it.
18 SLOVACEK: Right.

2 LEE: Well, I just hate, you know, I just hate for
3 you to go through that, (UI)...but, you know, that's
4 lack of, miscommunication with his people.

5 SLOVACEK: Yep.

6 LEE: You know, I know that doesn't look
7 good, but...

8 SLOVACEK: Yep. And they did mention another for
9 us to bid.

10 LEE: That's what I know but...

11 SLOVACEK: CHERRY CREEK one.

12 LEE: ...we gonna do, CHERRY, we gonna do that one
13 anyway. I figured that it, it's not gonna be a
14 substitute for...

15 SLOVACEK: Right....Right.

16 LEE: ...for this. I mean that's...

17 LEE: ...just not gonna happen.

18 SLOVACEK: Right. Hey did that bill pass for
19 BRIAN last night?

20 LEE: Yeah.

21 SLOVACEK: Well.

22 LEE: I mean that, that's just not gonna happen.
23 So I, I was just talking to him not long ago, just
24 to let him know. You know, so he brought a
25

1 million dollar savings (UI)... .

2 SLOVACEK: Yeah, (UI). Well, man, I, I ain't

3 gonna sweat it, but I thought I'd let you know as

11 meet with GILBERT at 2:00.

12 LEE: Okay, yeah. Good, good, good. I just hate to

13 have to, you know go through that again. You know?

14 SLOVACEK: Hey, I think you already know who

15 you're dealing with over there though and that's,

16 it's almost like that's a requirement.

17 LEE: Yeah. You got, you got, you gotta act crazy

18 you know.

19 SLOVACEK: He might be a little kin to SPIGEL.

20 LEE: Huh? (Laughing)
