2 goes all my kids did volley ball, basket ball. He said

9 and call it a night.

10 Slovacek: Cool. Hey, man the reason am I calling, can
11 we get together tomorrow maybe about 3:00?

12 Lee: Yeah, we can.

13 Slovacek Okay, can we get together maybe somewhere
14 half way between us somewhere like 635? There's a,
15 there's a hotel we just need, we need to sit down and
16 have about an hour talk.

17 Lee: Okay. Yeah, we can do, what place?

18 Slovacek: Ah, I can't think of the name of the hotel
19 but I'll just, can you think of anything up on 35
20 somewhere? There's a hotel on 635 going towards the
21 airport on Luna Road I think. I can't think of the name
22 of it but ah, what time you think you might. If you
23 head out of your place about 2:30, I'll just call you
24 and I'll and I'll have the name of it.

25 Lee: Okay.

1 Slovacek: Will that work? Is that cool?

2 Lee: We'll do that and is there anything I need to
3 prepare for?

4 Slovacek: No, we just need, I, we need, I need, I need
5 to, we need to set up some things man. I want to
6 communicate. I want to, I don't want, I want us to be
7 able to communicate effectively here so. But I want it
8 to be a private discussion.

9 Lee: That's fine.

10 Slovacek: Is that cool?

11 Lee: Yeah, we'll do that. We'll touch base
12 tomorrow.

13 Slovacek: All right man.
