Honorable sister, Asmaa AlSaieh, may God keep her God's peace, mercy and blessing be upon you.

I received your letter issued August 10, 1411, which transmits your noble feelings and generous support in benefit of our steadfast people in occupied Palestine.

As for the books you are inquiring about, we contacted the Islamic Association for Palestine which is the distributing party of statements, publications and books relating to the Palestinian cause, they promised us well. I hope that some of their publications have reached you along with this letter mine or sooner.

It's important to me, while you and your friends are about to start supporting our relatives in the occupied territory, to assure you that the Occupied Land Fund is your trustworthy organization to which the hearts of thousands of people of charity everywhere look up to, hoping and taking advantage of the historic opportunity to support the resistance of a nation and the jihad of a people. May God protect you and guide your steps on the path of charity.

Peace be upon you, God's grace and blessings.

Your brother in God

In the name of God the most merciful

My brother in God....Director of the Occupied Land Fund.

God's peace, mercy and blessings be upon you.

You used to send me publications about Hamas' communiques and about the activities of the Islamic Office, then you stopped. I presented to some of our brothers in God, my colleagues at work, the idea of supporting the Uprising, by God's grace it was accepted by them.

We will send you an undetermined amount quarterly as much as they are able to give, and that is in support of the blessed Islamic Uprising in Palestine.

I would like to inquire about Hamas' books by Ahmed Yousef, and also his book about Ahmad Yasin. I would like to obtain them. Please advise me of the cost with my thanks.

May God reward you well on behalf of Muslims and guide you to what He likes and is pleased with. God's peace, mercy and blessing be upon you.

P.S.:

I would like to inquire about the magazine, "Ila Falestine", as it stopped coming. I wrote to the magazine's editor-in-chief, Mr/ Salah Hasan, and I received no response from him. If you have any information about its cessation or banning from entering the Kingdom, please let me know the reason with thanks.
