Palestine National Authority

Dear Honorable Minister,

The Holy Land Foundation for Relief and Development, a non-profit charitable organization with headquarters in Richardson, TX USA is requesting your assistance in the facilitation of a shipment from America.

We have been bestowed a tremendous gift for the Palestinian people who are handicapped and in need of wheelchairs in order to live their lives more fully and with the dignity aspired by all of us. A gentleman here in America has donated to the foundation, with the ultimate destination of the Palestinian people in Gaza, 494 new wheelchairs along with 50 amputee conversion kits and 200 elevating foot rests. These wheelchairs, we have been informed, will be arriving in the port of Ashdod on December 3, 2000.

What we are requesting of you is support in obtaining humanitarian waivers of custom duties in order to facilitate entry. The name of the vessel delivering the wheelchairs is Kual Lumpur Express with a PO #PONLTWN18007594. Should you need further information, please contact me directly.

It is our humble honor to be a part of the rehabilitation of Palestine. Allow me to thank you in advance for your generous assistance.

Sincerest regards,

Akram Mishal
