

لا... لا... لا... لن نخذلك

انا معك ...
ووجمو عنا لن نخذك ...
وعيوننا ترعى
المسيرة مثلما
كفنا مع الحجر المظفر
في انقفاضتنا
على الباطني معك ...
شعنا ان نكتبوا
او نلين ...
فقلوبنا معك
والمسلمون جموعهم
لا... لا... لن نخذلك

د. موسى ابو مرزوق

رئيس المكتب السياسي لحركة المقاومة الاسلامية « حماس »

سلام على منقل بالحديد ويشمخ كالتقائد الظافر
كان القيود على معصية مفاتيح مستقبل زاهر

No....No...We will not let you down

**We are with you...
And our masses will not deceive you...
Our eyes oversee
The path such as
When we were with the victorious stone
In our Intifada
We are against the aggressor with you...
So, beware lest you submit
or get softer.
Our hearts are with you
And Muslims with their masses
No...No...they will not let you down**

**Peace to the one who is laden with iron and who is proud like a victorious leader
As if the handcuffs in his hands are keys to a prosperous future**
