"{{O' ye who believe! What aileth you that when it is said unto you: Go forth in the way of Allah, ye are bowed down to the ground with heaviness. Take ye pleasure in the life of the world rather than in the Hereafter? The comfort of the life of the world is but little in the Hereafter.}}

Peace and Allah's mercy and blessings be upon you

O' Allah answer my prayer and the prayer of my brother Al-Ayyubi and grant us success in what we desire, and make us steadfast, and steady our steps and join us with the ranks of the mujahidin, and if we are sincere in our intention and faith, give us victory or grant us martyrdom for your sake, You are the One who listens most and the One who answers most.

My beloved brother, I seek the forgiveness of the Almighty Allah, for I am not a teacher but rather a brother who loves you in Allah and wants for you what pleases the Lord of the universe, His name be exalted and elevated, and thanks be to Allah for His plan and that He predestined for us that we get to know each other and that we become road companions.

Allah willing we will have a meeting after you pass the stage that you are now heading into, and as I have mentioned O' Aba-al-Ayyubi, reliance on Allah and confidentiality and secrecy are the fundamentals of our work and they ensure our success and the debilitation of the infidels, for by Allah they will not know when the attack will come and from where, so be patient my beloved brother. Allah knows how much I desire to meet you and with Allah's permission this will be an opening to goodness for both of us.

My brother Aba-al-Ayyubi, for the sake of future planning and for arranging a meeting at the appropriate time, what is the state that you live in, and do you own a car that provides you with freedom of movement? I ask that because we might leave you instructions or certain tools during the next stage which will require you to go and take it out from its place.

My beloved brother, be assured that the intention of the brothers has become the facilitation of the process of getting you to the ranks of our mujahid Shaykh and his companions, although it had originally been benefiting from what you had mentioned in regards to debilitating the infidels in their own home.

My beloved brother, the information of the e-mail address of the brother that I have mentioned in my previous message is as follows:

May Allah bless you O' Aba-al-Ayyubi and steady your steps and protect you from any harm.

Your brother Al-Karkhi
