Peace and Allah's mercy and blessings be on you

In the name of Allah the Gracious the Merciful

We start with the supplication

Praise Allah and with His praise we ask for His forgiveness number of His words and number of His creation and we unto Him do return

Thank Allah already the father's visit was quick with some kind of the tension which what is after it is the reliance on Allah be He exalted

Already I already consulted the father in the subject mere pleasing Allah be He exalted and but without any outside information and already came to him a kind of the awe I [UI] and that the capturing me happens or the danger that will be on me from the side of the enemies and the apostates and but I already clarified to him that it is my wish in the jihad thus he who fought for the word of Allah to be itself the most high then he is in the path of Allah be He exalted

And already the matters moved as desired in the latter days and but the worry already was confusing him and it is whispers of the Devils I seek refuge by Allah from them

And already I entrusted him to Allah and he already understood it truly was my will

Thank Allah Lord of the Worlds

And truly the patience is a good quality so already the Messenger of Allah Allah's blessing and peace be upon Him used to say to the family of Yassir patience family of Yassir for truly your appointment is the paradise

And we too my brothers Allah willing our appointment is the paradise and the success in our jihadi operations that

Will break the back of America and Israel and their allies

Then their siege in our lands before transferring them and annihilating them all

And changing the corrupted governments

I do not want to be too lengthy [UI] time of the meeting Allah willing

Peace and Allah's mercy and blessings be on you

Aba al-Ayyubi
