In the name of Allah the Gracious the Merciful.

There is no god but Allah Muhammad is Allah's Messenger.

My dear the brother Aba al-Ayyubi (al-Hussam)

First I like to congratulate you on the style of your good talk with the noble father and your respect for him and your consultation with him for pleasing Allah, Almighty. So the contentment of Allah is in the contentment of the parents. Yes and as you said so he understood that it is truly your will. We on our part trust in your faith and your courage and your readiness for a great work for His sake be He exalted. So therefore we will send the brother Hussein for the second meeting soon Allah willing.

My dear, the time for the serious work appears to be coming soon with the help of Allah be He exalted. So are you ready? In your previous messages you said you are truly ready but you need the equipment. Already Allah said:

"And if they had intended to go forth, they would certainly have provided equipment for it, ..."

Allah Almighty Has spoken the truth

O my brother, please do not mention to me in writing (for the protection) but you can say it to the brother Hussein face to face. Think and prepare for a meeting with him and tell him specifically what you want to do for the sake of Allah Almighty and what are your capabilities for the cause and what is the needed equipment that you desire to obtain it. That is, be O my dear ready to share with the brother Hussein specifically what you think in accomplishing it. I like to remind you not to write to me about it as I mentioned. Say it orally to the brother Hussein.

I entrust you to His care, Almighty. With prayer for the success and the prosperity. Pray for us.

Your brother: Rafiq

Note: You will hear again from the brother Hussein soon
