---

In the name of Allah the Gracious the Merciful.

My dear the brother Aba al-Ayyubi, may the Lord protect you

How I was happy for my receiving your last message after hours only from sending my message to you. It seems that you are using the new computer freely and at any time you desire. This will benefit us very much for the quick communication and conveying the instructions when the victory hour strikes, and Allah willing it became near.

Lastly, your longing to be close to the Sheikh and the Commander is something very enviable and Allah willing will materialize. He gets extremely happy whenever we inform him about brothers like you who join us and perform jihad for the sake of Allah be He exalted. So is there a special message you like to deliver it to him? Start preparing for a message written or recorded that you like to deliver to him? And you can talk about this subject with the brother Hussein in the next meeting, in the coming week, Allah willing.

My dear, regarding the next meeting with the brother Hussein, by His help be He exalted and according to our arrangement he will come to the Dallas area next Wednesday on the 24 of the current month Allah willing. I ask you to start in securing a method of transportation in order *[sic]* for meeting him as you did in the previous time. Also I hope that you take a vacation in that day so you two can have the sufficient time for talking. He also will speak to you telephonically in this subject for confirmation. My prayer is that the sacrifices of all of us be acceptable at Him be He exalted and that He counts them for us [UI] in our scales.

Pray for the safety of the brothers and especially the Sheikh. Pray also for the success of our goals and the defeat of the enemy.

Until the meeting in the battleground arena.

Your brother Rafiq
