Subject: Clarification of Point

Gentlemen,

I realized that in my memo to Rusty on yesterday that I referenced that we met our initial requirements. I also wrote that we 'got you to the presentation stage'.

Allow me to clarify. Our requirement was clearly to effect moving Schlumberger to the 'next round'. This we did.

Whether the 'next round' means public forums, designed to requalify, or to do presentations—it is so, as a direct result of our efforts.

The process was shifted to provide a platform for the company to establish and affirm itself—and not become eliminated—simply based upon the proposal.

As you are aware, you were not in contention prior to our efforts.

After receiving payments due to date, we are prepared to work with you in becoming the 'finalist'. This will require a separate contract.

Timing is of the essence. I counsel you to consider doing so immediately, as the second round will likely kick into gear quickly.

Regards,

Eddie Hill
