Kathy, It was great seeing you last week in Dallas, and thanks again for making the introductions. That was the first time that I have met Commissioner Price, who makes quite an impression. Also great to learn from Chris that the weekend event was considered a great success.

With regards to Camellia Kennedy, I wanted to ask you how you felt Camellia would fit into the Schlumberger NIS organization here in Houston, in a position similar to that which Chris Campbell has in Dallas. I interviewed Camellia last week, at which time she mentioned that she knew you quite well. We are interested in Camellia, and are expecting to get her back in for more interviews. She presents herself very well, and seems to have a solid background and great relationships. Would appreciate your thoughts as to the fit with NIS.

Look forward to seeing you again soon,

JLK
