Dear Commissioner Price:

*Community  
Oriented  
Primary Care*

The Purchasing Department informed me that when they counted all of the companies involved with the six (6) RFP responses (meaning the main respondents plus their subcontracting partners – DBEs, HUBs, etc.), the number of participants was 32.

*Parkland  
Community  
Health  
Plan Inc.*

Since 77 companies picked up the RFP package, the percentage of participation in the RFP response is 41%.

Here are some points of information about the Core IT (CIT) RFP and the responses that we received this week. I hope that this information is helpful to you:

*Parkland  
Foundation*

- The deadline for submitting proposals to the RFP was January 29, 2003 at 12:00 p.m.
- Parkland received 6 proposals
- All of these proposals are coalitions of companies including:

  - All DBE participation is "as subcontractors"
