Dear John:

Please be advised that my Consulting Services Agreement with SchlumbergerSema will expire March 31, 2003. Although we have had discussions regarding renewal options, a final definitive agreement has not been determined.

Kathy L. Nealy & Associates is committed to providing quality consulting services to our clients. To that end, we anticipate that a mutual agreement will be extended immediately. If I can be of assistance in any way, please feel free to call me directly.

Sincerely,

Kathy L. Nealy
