Doug Pferdehirt, President
SchlumbergerSema
5599 San Felipe, Ste# 1700
Houston, TX 77056

Dear Mr. Pferdehirt:

It has always been my experience and belief that the best collaborative efforts maintain a vibrant conduit of communications. It is for that reason that I have decided to express my present concerns.

As you know, the prospect and potential surrounding the forged partnership between SchlumbergerSema and Dallas County are boundless to say the least. We have certainly been the benefactors of a sound information technology infrastructure provided by you and your associates. Likewise, this relationship has allowed us to display your banner and provide provisions for public sector visibility and viability for SchlumbergerSema.

Based on recent discussions and information there may be some deviation on some of the promises made in the outset of this venture. This is a grave cause of concern and disappointment. Any variance from the original plan would be a breach, and unacceptable.

Please ensure that all of the covenant and agreements that we have made in this regard are being honored. If there are any concerns that require my attention, do not hesitate to call me at (214) 653-6671.

Sincerely,

John Wiley Price
Dallas County Commissioner
