Kathy,
Need your help. It seems like we're just proposal fodder for Dallas County.

If we have any chance of influencing, pls let help.

Regards,
Kate

Franklin and Kate,

I am in Budapest this week but wanted to pass this along to you. The interesting thing here is that the short list is Unisys and CyberDyne, not Buchanan. Hard to figure.

Kate, I suppose we want to get any inside intelligence we can to see if this is another situation where we are just being led down the path. And Franklin, we need to decide how best to protect ourselves from any future finger-pointing with Buchanan's Help Desk should we win.

Have a great week.

Regards,

Kevin
