What's up? This sounds like a backup in thinking?

What's your take?

Kate

They want to discuss T's and C's exceptions, Data Warehouse location/staff, and cost model.

I'll keep you posted.

It may be the T's and C's.

Kate

Good Afternoon Ms. Connolly,

I left you a voice message and thought I would follow up with an email.

To ensure that all firms are treated fairly, Dallas County would like to meet with your company to clarify your firm's BAFO response, contract exceptions and discuss further contract negotiations. This is to ensure that all information has been interpreted correctly and to expedite potential negotiation points and/or deal breakers prior to submitting a formal recommendation to the Commissioners Court.

Consequently are you available to meet on Wednesday, October 24, 2007 @ 1:00 p.m.? Location: Purchasing Department Conference Room.

Please Advise.
