To better accommodate the Commissioner's hectic schedule, we should schedule lunch in the downtown area. I will arrange my schedule to attend this meeting. Your comments are appreciated. Thanks.

Kathy and Kathy,  
 I spoke with Kiedra (sp?) - from Commissioner's Price office.  
 I requested a lunch meeting for next Thursday - March 13th with our Vice President, Reginald Drake,  
 and myself with Commissioner Price to pick up the agenda we had hoped to cover on March 5th of this week.

Kathy Nealy - you are cordially invited to join us for lunch...perhaps we could meet a few minutes prior to introduce

ourselves. Your choice. Commissioner Price's office would like your confirmation of this so that they think we're in sync. you had offered to reschedule and I didn't know that.

Have a great weekend and thanks for all your help.

Regards,
