O.K., thanks Michael.

Bill, I'm on the road today, but would you be available for a quick call sometime tomorrow so I can get some background information and understand the approval process?

Thank you

Luke it is my understanding that that Commissioner Price has some issues with a couple of the participants and that he is removing the item from the Commissioners' Agenda. You may want to give Bill Methenitis a call. Airport staff is not able to proceed without the necessary county approval.

Michael,

Thank you for letting me know. May I ask who at the County has requested the removal of our zone expansion from the October Board Agenda, and what was the reason given?

Thank you,

Luke Allen

At the request of Dallas County we are removing the above referenced item from the DFW Airport Board Agenda for October 2006. The item will be placed on the November Board Agenda for approval. The November Board Meeting will take place on November 2, 2006.
