Gentlemen,

I agree. Also, Comm. Price is holding this item at the County until he hears back from the City of Dallas.

Thanks!

I'm in town today but pretty challenged schedule-wise. Leaving in 30 minutes for a meeting, back at noon and then leaving again around 3:30pm for a meeting. Maybe out of town the rest of the week. Will know schedule by early afternoon. Seems best to call Bill after we know for sure that Desoto is on board.

David,

Desoto city council votes on FTZ tonight. It looks like the Mayor has preliminarily spoken with Bill Blaydes, and he appears receptive to including our site.

I think it is time for you to contact Bill Blaydes. Are you in town today?

Thanks,
Preston

Mayor,

Was Bill at all receptive to including DeSoto? Bill Methinitis has pulled the item from DFW Airport Board Agenda because the County is holding to approve it until we've had the chance to be included.

Thanks,

Preston

Preston:

Bill Blades called at 3:30 p.m. Monday - we had a short visit about the Foreign Trade Zone. he was going to check with Commissioner Mayfield about scheduling of project with Dallas county and DFW Airport Board, and call me back. I have not heard a word since then. I am sorry I was out of touch Monday evening.

Mayor,

Were you and Bill Blaydes able to talk today? We were just wondering because we were waiting to call him until you two connect.

Thanks,

Preston

Jim and Mayor,

Thank you again for meeting with us today and thanks for getting us on the city council agenda.

We recommend making two changes to the Management Report. Those suggested changes are in the attached redline.

Thanks,

Preston
