The Foreign Trade Zone is official! Attached is the Foreign Trade Zone Board Order which was sent to the Federal Register today for publication.

All of the property is now available to be activated with U.S. Customs and Border Protection for individual companies that can benefit from using foreign trade zone procedures. Let Mike Pyles or me know if you have any questions about that process, or if we can assist in any other way.

We look forward to working with each of you as the property develops.

Best regards,

Bill
