**Subject:** RFQ Desktop Support Services (BAFO)

As of now everyone should have a copy of the BAFO responses from the two short listed firms.

Just as a reminder:

- 1) The information is to remain confidential and GAG Order is still on until a contract is formally executed.
- 2) We meet at 1:30 p.m Tuesday (10/16) in the Purchasing Dept. Conference Room to go over the results and decide the next step.

Thanks
