Counsel are expected to familiarize themselves with prior court orders on the CM/ECF system as well as the Local Civil Rules of the Northern District of Texas, located at the Northern District of Texas's website: <https://www.txnd.uscourts.gov/civil-rules>. The Court encourages Counsel to review this Court's Policies and Procedures and Standard Forms, located at the Court's Website: <https://www.txnd.uscourts.gov/judge/judge-ada-brown>. The Court expects Counsel to have both familiarized themselves with and to comport with the attorney standards that the Northern District of Texas has adopted in *Dondi Properties Corp. v. Commerce Sav. & Loan Ass'n*, 121 F.R.D. 284, 287-89 (N.D. Tex. 1988). Counsel should also familiarize themselves with the Texas Lawyer's Creed—A Mandate for Professionalism, reprinted in Texas Rules of Court 739 (West 2020).

## III. DISCOVERY

#### IV. STEERING COMMITTEES

- A. The Court will make Plaintiff Steering Committee (“PSC”) decisions concerning the prosecution of these cases and review applications based on a variety of factors including those outlined in the *Manual for Complex Litigation, Fourth*.
- B. Toward that end, if any attorneys wish to serve on the PSC, they are instructed to file into the record an application with support regarding the position sought by August 7, 2024. Applicants should familiarize themselves with Federal Rule of Civil Procedure 16.1, which is scheduled to take effect on December 1, 2025. The Court also instructs Defense Counsel to file into the record their positions on the necessity, if any, to designate lead defense counsel or a defense steering committee or both by August 7, 2024.

The Court also provides the following instructions and guidance:

1. Each application should be no more than three pages in length, including any attachments. Applications should be filed into the 3:24-CV-0757-E; *In re: AT&T Inc. Customer Data Security Breach Litigation* proceeding **and with** a courtesy copy sent to Brown\_Orders@txnd.uscourts.gov.
2. The Court will not entertain more than one application per law firm.

3. Applications should include proposals regarding leadership, committee structure, and any case-specific issues that may inform the committee structure. The Court cautions counsel, however, that as the *Manual for Complex Litigation, Fourth* recognizes, “[c]ommittees of counsel can sometimes lead to substantially increased costs, and they should try to avoid unnecessary duplication of efforts and control fees and expenses.” Organizational Structures, Ann. Manual Complex Lit. § 10.221 (4th ed.).
4. The PSC selection process will include an emphasis on ethics and professionalism. The Court seeks applicants who (i) are respected by their colleagues, (ii) have demonstrated an ability to effectively work with others, and (iii) avoid unnecessary divisiveness. The goal is to select a team of qualified candidates able to work together in a cooperative and efficient manner.
5. Applicants should identify where they have served in similar capacities being sought and describe their experience in managing or participating in complex litigation along with their knowledge of the instant subject matter. Details regarding resources and infrastructure available to contribute to the litigation should be included.
6. The various PSC roles and obligations include funding the litigation. The specific funding dynamics will be considered in connection with the PSC selection process. New financing mechanisms provide the catalyst for this Court to explore how litigation financing is occurring. The applicant’s sources of litigation funding should be included in the application. At the applicant’s discretion, that portion of the application may be sent to the Court at [Brown\\_Orders@txnd.uscourts.gov](mailto:Brown_Orders@txnd.uscourts.gov) for in camera consideration.

7. Committee appointments are of a personal nature to individual lawyers and not law firms. Applicants are invited to provide references from Judges and Special Masters who are familiar with their work in other MDLs.
8. Committee and leadership needs typically evolve over time and the Court may make adjustments as necessary. Consequently, the Court intends to periodically review steering committee appointments and make changes as necessary

**V. STATUS CONFERENCE**

A Status Conference will be scheduled after the Steering Committee process has concluded.
