Rule 3

Assignments to Magistrate Judges

In a division with more than one magistrate judge, the clerk will select a magistrate judge in accordance with the court's random assignment procedure from among all magistrate judges in that division for any matters referred or transferred pursuant to 28 U.S.C. § 636(c) by the presiding district judge. This method of assignment does not limit the district-wide jurisdiction of a magistrate judge.

Rule 4

Consent to Exercise of Jurisdiction by a Magistrate Judge

a. At the time any action that may be tried by consent before a magistrate judge pursuant to 28 U.S.C. § 636(c)(1) is filed or as soon thereafter as is practicable, the clerk will provide plaintiff or plaintiff's representative an approved notice and consent form, along with a sufficient number of copies for the plaintiff to attach to the complaint and summons, when served. The plaintiff, or the defendant if the plaintiff is acting *pro se*, will be primarily responsible for securing the execution of a consent form by the parties and for filing such form with the clerk.

Appendix V, *continued*

b. If, after the clerk has notified the parties of the availability of a magistrate judge to exercise jurisdiction, and that such consent is wholly voluntary and without any adverse consequences if a party chooses not to consent, and upon the written consents of all parties and upon an order of transfer from the presiding district judge, the clerk will reassign the case to the designated magistrate judge for all further proceedings as provided for in 28 U.S.C. § 636(c). A part-time magistrate judge may exercise consent jurisdiction when the chief judge of the court certifies that a full-time magistrate judge is not reasonably available in accordance with guidelines established by the judicial council of the Fifth Circuit.

c. Upon the death, retirement, disqualification or resignation of a magistrate judge exercising jurisdiction under this Rule, the case will be reassigned to another magistrate judge, unless a party consented to a specific magistrate judge.
