

Career Opportunity

Position: Programmer
Vacancy Number: 25-14
Location: Dallas, TX
Closing Date: Open Until Filled
Starting Salary/Range: CL 27/28
\$64,285-\$125,252*
*Depending upon qualifications and experience

Position Overview:

This position is located in the District Clerk's Office in Dallas, Texas and is responsible for performing professional work related to analyzing, designing, modifying, and adapting existing software. The incumbent must have experience involving software development with multiple languages, such as VB.NET, C#, ASP.NET, JavaScript and SQL. Programmers at this level are primarily responsible for writing code. This position reports directly to the Applications Development Manager.

Responsibilities:

- Performs coding, debugging, testing, research and validation of locally developed automation software.
- Develops SQL queries using a wide variety of database platforms including Informix, SQL Server and Oracle.
- Develops, tests, and maintains locally developed software applications using .NET Framework 4+ and .NET 8+ technologies.
- Collaborates with cross-functional teams to gather requirements and design efficient solutions.
- Debugs and resolves software issues.
- Stays updated with industry trends and emerging technologies to improve development processes.

Required Qualifications:

- Proficiency in .NET Framework 4+ or .NET 8+.
- Strong programming skills in C#.
- Knowledge of database systems, especially SQL Server, Oracle, or Informix.
- Excellent problem-solving and communication skills.

U.S. District Court for the Northern District of Texas

The Northern District of Texas is made up of 100 of the 254 counties in Texas.

Nine of the cities in the district are among the top twenty most populous cities in Texas. Two of the cities, Dallas and Fort Worth, are in the top twenty most populous cities in the country.

Geographically, the district encompasses more than 96,000 square miles, making it the largest land area federal district in the country, except for those that encompass an entire state.

Many of the nation's Fortune 500 companies are either headquartered or have a major presence in the Dallas/Fort Worth Metroplex.

Preferred Qualifications:

- Bachelor's degree in computer science, software engineering, or a related field.
- Web development experience with ASP.NET Web Forms, Bootstrap, Blazor WASM, and third-party components.
- Experience with GitLab, Visual Studio, SQL Server Management Studio and Telerik Report Designer.
- Familiarity with Agile development methodologies.
- Experience with consuming RESTful and SOAP-based web services to integrate with various systems.
- Experience with OpenID Connect for authentication.
- Expertise in processing and handling flat file data formats such as CSV and positional text files.

Benefits:

The United States District Court falls within the Judicial Branch of the U.S. Government. Policy for the Judicial Branch is determined by the Judicial Conference of the United States. Appointments in the District Clerk's Office are made by the Clerk of Court under authority of 28 U.S.C. § 751. Benefits include participation in the Federal Employees' Retirement System which contributes to the Social Security Retirement Program, Federal Employees' Health Benefits, Federal Employees' Group Life Insurance, Thrifts Savings Plan (like a 401(k) plan, with employer matching contributions), 11 paid federal holidays and annual/sick leave accrual. An overview of Federal Judiciary benefits is accessible at:

Other:

Employees of the U.S. District Court for the Northern District of Texas are excepted service appointments. Employees are considered at will and are not covered by federal civil service classifications or regulations. Immigration law requires public employers to hire individuals who are lawful permanent residents (i.e., green card holder) seeking U.S. citizenship. Employees must adhere to the Judiciary Code of Ethics and Conduct.

Due to the high volume of applicants received, the Court will only communicate with applicants who will be considered for interviews. Applicants selected for interviews must travel at their own expense, and relocation expenses will not be reimbursed.

Candidates who are selected for employment in the judiciary must successfully pass a background check or investigation as a condition of employment. The background check will include, at a minimum, an FBI fingerprint check. Full field investigations will be conducted on positions that are classified as high-sensitive. Once employed, the candidate may be subject to periodic background investigation updates.

The Court is an Equal Opportunity Employer:

The Court reserves the right to modify the conditions of this job announcement, to withdraw the announcement, or to fill the position sooner than the closing date without prior notice. The U.S. District Court requires employees to adhere to a Code of Ethics and Conduct. **This court provides reasonable accommodations to applicants with disabilities. If you need a reasonable accommodation for any part of the application and interviewing process, please notify the local human resources representative.** Decisions on granting reasonable accommodations will be made on a case-by-case basis.

How to Apply

Qualified applicants must submit a cover letter, detailed resume, and salary history to Human Resources by emailing the items. The subject line must include: "25-14."
